Re: *Jones v. Williams Pawn & Gun, Inc.*
Okeechobee County Circuit Court Case No. 99-328 CA
Fourth District Court of Appeals Case No. 4D00-3723

Gentlemen:

I have received your Answer Brief. In my humble opinion, it is a most impressive piece of work, well researched and cogently argued. While I disagree with your position, (and hope to persuade the Court accordingly), I cannot help but admire the excellence of your written presentation. When I catch my breath, it will be my goal to try to respond with something approaching your high standards, happily at issue with practitioners of your caliber.¹

Very truly yours,

Jack Sobel
