Dear Scott:

As former Senior Director of CNA HealthPro Insurance and now President of MSM Insurance Company, I wanted to take the time to thank and commend you for all your phenomenal and innovative work as Lead National Panel Counsel for CNA HealthPro, and for creating and implementing their National Litigation Plan. Your trial successes and other litigation results were equally impressive.

When CNA was searching for a true leader and winner to create and implement head our massive endeavor, we found great success in you and your firm. You were well deserving of our National *Litigator of the Year* award, a prestigious honor bestowed upon only one person.

For over two decades, I had the opportunity to retain and evaluate hundreds of attorneys and law firms. It is important for me to let you know that you stand far and above all them. You brought an infectious enthusiasm, compassionate dedication, incredible organization and outstanding work product that resulted in repeated successes and other measurable deliverables.

I wish you continued success and look forward to opportunities to working with you in the future.

Very truly yours,

Dear Brad & Scott,

Have you heard the saying,

"There is a destiny that makes us brothers
None of us goes through life alone
All that we bring into the lives of others
Comes back into our own."

Due to your joint effort and superior skill as attorneys Jewish Introductions, Inc. can now continue to serve single, widowed and divorced people for years to come.

Because of your expert assistance many grief-stricken widows and widowers will not bear the agony of being old and alone. Young women who are in the 30's and yearn for a husband and baby will see that dream come to fruition. Children who might have grown up feeling insecure with a single parent will now reap the benefit of a mom and dad when families integrate. Young people who wish to create a Jewish home with a loving Jewish spouse will see that dream fulfilled.

Through your dedication to this service both of you have made it possible for Jewish Introductions, Inc. to continue to bring happiness to others and as the saying indicates (and I am sure) this happiness will flow back into YOUR OWN LIVES!

G-d bless you both.

Kindest regards,

Paula Jacobson
